School Advisory Committee – New and Improved and Looking for YOU!

The School Advisory Committee (SAC) has spent the bulk of the year reviewing and revising its by-laws as it reinvents itself in its ability to serve the needs of the school and greater parish community. The committee has identified that its work in advising the course of the school will focus its energy across three main subcommittees; Marketing, Development, and Catholic Identity.

- The **Marketing Committee** will work with the parish marketing committee to refresh our efforts in being a presence in the community and on social media for the purposes of evangelization and growth.
- The **Development Committee** will work with the newly revived Alumnae Association in advancing the role of parents as ambassadors addressing the current needs of families. This group will maintain the data generated by our school survey in support of the National Standards and Benchmarks for Effective Catholic Schools.
- The **Catholic Identity Committee** will work to maintain the integrity of our programming in line with our faith history and traditions. This group will work with the stewardship of the parish.

If you would be interested in supporting and participating in the work of the School Advisory Committee, we invite you to reach out to any one of the current members and share your interest. We are looking to replace 4 of our current members with this year's election process. Please prayerfully considering joining SAC to help chart the course of St. Dominic and its role in the archdiocese.

Please submit your nominations by April 15, 2018.

Please see the nomination form on the reverse side.

Thank you for your prayerful discernment in this very important work for the future of our faith and the future of our school.

THE SCHOOL ADVISORY COMMITTEE IS OPEN TO ALL ADULT PARISH MEMBERS.

To Seek Christ, Know Christ and Become Christ, Each One for the Sake of All.
