a personal reflection

Love without Limits

“We have come to know and to believe in the love God has for us. God is love, and whoever remains in love remains in God and God in him.”

~1 John 4:16

Catholics are familiar with the two greatest commandments, to love God with all of our minds, our hearts and our souls, and then, to love our neighbors as ourselves. As we begin to think and pray about sharing our gifts with our parish community, it is important that we first contemplate what “loving God and our neighbor” really means. Pope Francis speaks about love of God and our neighbor not in abstract terms, but in words that are a call to action. Reflect on the words below, then spend some thoughtful time answering the questions on the back of this card to help lay the foundation for a prayerful commitment to our parish.

“Let us ask for the grace to open our hearts to one another, to promote unity and to live in harmony as members of the one Body of Christ, inspired by the gift of love.”

~ Pope Francis

*“This is my commandment:
love one another as I love you.”*

~John 15:12

Prayerfully answer the questions below.

How has God’s love touched my life?

How have I returned love to God?

How have I extended love to others?

What part do I play in extending love through support of our parish ministries?

What can I do to grow in my willingness to share in love?

What shall I give as I strive to love without limits?
